Chamber **Programs**

Leadership Muskogee allowed me to not only gain insight into what Muskogee has to offer from a business stand point, but from a people standpoint. I was able to make connections within this program that will last a lifetime. Getting to know other business around town, and the people that assist in that businesses success was invaluable. If you are wanting to make connections, grow as a leader, and learn just how amazing Muskogee is, Leadership Muskogee is the program for you!
